**RE: SUPPLEMENTAL INFORMATION DISCLOSURE
FOR: SERIAL NUMBER 10/709,880; ART UNIT 1626; FILED 6/3/2004;
TITLE: TOPICAL PREPARATION AND METHOD FOR TRANSDERMAL DELIVERY
AND LOCALIZATION OF THERAPEUTIC AGENTS
EXAMINER: JASON M. NOLAN**

Dear Sir:

Filed herewith is a supplemental information disclosure containing references newly-cited, last week, in counterpart US application 11/569,805. One of the references, Williams, is in the same family as previously-disclosed pre-grant publication 20040076648. Another of these references is non-patent literature, and so a copy of that is also transmitted herewith.

Please consider these reference before the next action. None of these there references discloses or suggests applicants' claimed invention, separately or in combination.

Very Truly Yours,

Jay R. Yablon
Registration # 30604
